- Ships

# Simulators

# Simulators

# Simulators

A person with short blonde hair, wearing a purple and white striped shirt and blue jeans, is seated in a simulator cockpit. They are holding a joystick in their right hand and looking towards a large screen displaying a 3D simulation of a mechanical structure. The cockpit has a grey seat and a control panel with several buttons and lights. The background is a bright blue sky.

# Simulators

# Simulators

A photograph of a modern control room for a process industry lab. The room features a long wooden desk with multiple computer monitors displaying various data visualizations, including graphs and charts. Two black office chairs are positioned at the desk. In the background, a complex industrial facility with numerous pipes, valves, and tanks is visible through large glass windows. A semi-transparent blue banner with the text "Process Industry Lab" is overlaid on the right side of the image.

# Process Industry Lab

# Workshops

# Workshops

# Logistics Lab

A photograph of several white training ships docked along a canal in Rotterdam. The ships are equipped with various maritime training equipment, including a bicycle, a lifebuoy, and a basket of rope. The background features modern city buildings under a clear blue sky. A semi-transparent white banner with the text 'Training Ships' is overlaid on the left side of the image.
